Huge congratulations once again on finding Your soulmate! Wish you all the best in Your wedding planning journey. I am known to exceed expectations and excited to share that I have two virtual gifts for you. This will help you Excel in your Wedding planning Journey.

The First Gift is a **15mins wedding consultation Fire session** for Engaged couples who Registered for the Golden Penny Foods, Newly Yearly virtual event and attended My session. To qualify for this send a screen shot of yourself on the screen during the session to **info@trendybeeevents.com** with the Title **"NewlyNearlyCouple"**.

This Gift is Courtesy **Bisola Borha**.

The 2nd gift put together with love, is a **complimentary summarized 1 year, monthly Planning checklist Traditional & White wedding Guide** that will help you get organized monthly.

This gift is courtesy **TrendyBEEvents, Bellanaija Weddings, and Golden Penny Foods**.

I Trust these would be helpful.

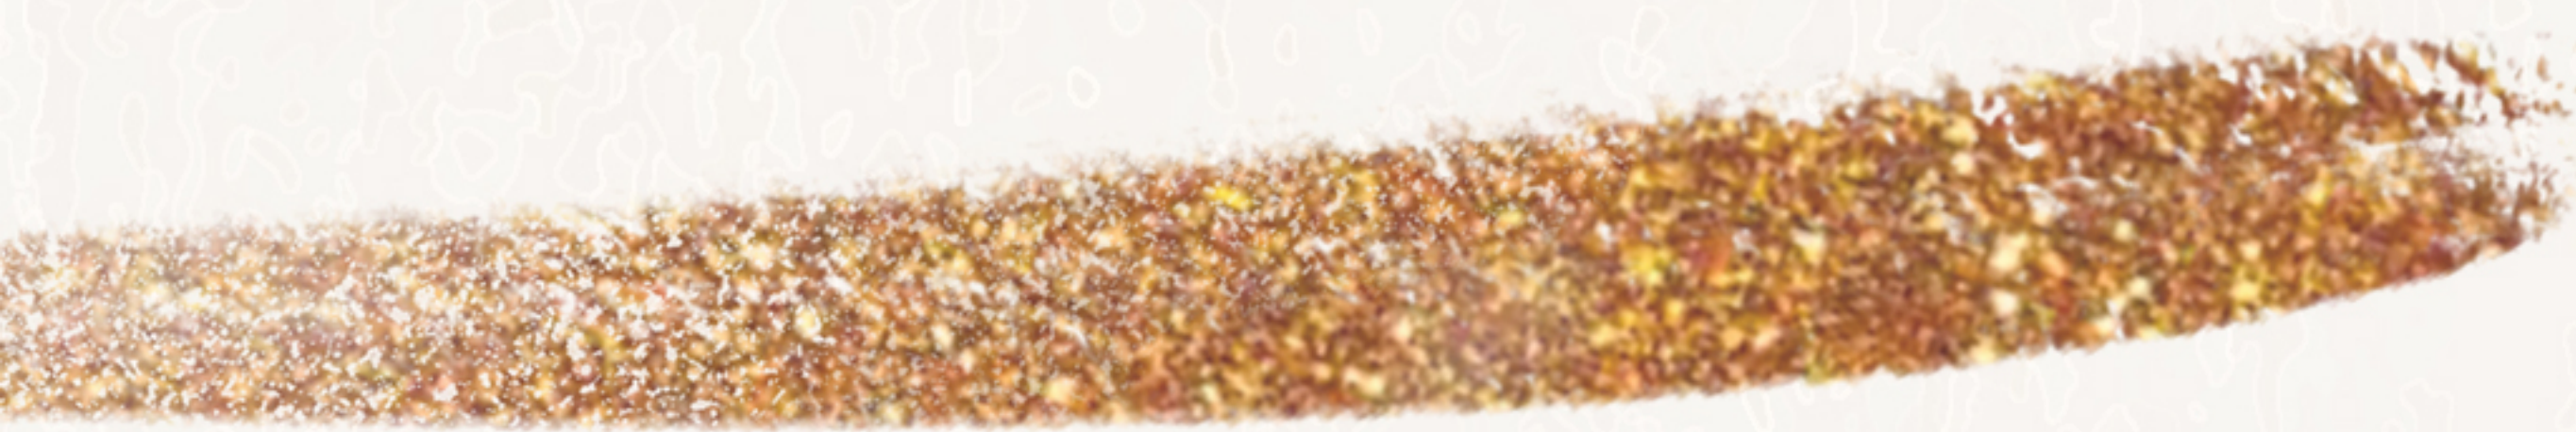

**Note;** This guide has worked excellently, however it can be tweaked around to be tailored to You, depending on the time You start planning Your wedding. Hiring a wedding planner to reshuffle as it applies to your start time and brief is key.
